

Prof. Stefano DUMONTET

Date of birth: June 14th, 1952.

Nationality: Italian.

Full Professor, Parthenope University of Naples, Department of Science and Technology, Centro Direzionale, Isola C4, 80143 Naples, Italy.

E-mail stefano.dumontet@uniparthenope.it

Main scientific interest:

Environmental Microbiology, Soil Science, Biological Indicators and Biorefineries.

Main research interests:

Biomass conversion, composting of organic waste, microbiology of composting, environmental microbiology, soil microbiology, soil quality.

Working activities:

From 1986 to 2004:

Basilicata University, Potenza, Italy. Researcher, Associate Professor and Full Professor.

Teaching activities: Microbiology, Biochemistry, Soil chemistry and Plant Physiology.

Official roles covered:

- Member of the International PhD School "Crop Systems, Forestry, and Environmental Sciences",
- Institutional Erasmus Coordinator,
- Coordinator of the International Relationship Office;
- Rector Delegate for the Relationships with the Italian Rectors Committee Office in Brussels.

From 1992 to 2004:

Swedish University of Agricultural Sciences, Uppsala, Sweden. Visiting scientist and visiting professor.

From 2004 to date:

Parthenope University of Naples, Italy. Full professor.

Teaching activities: Environmental Microbiology, Soil Science, Biomass and Biorefineries.

Official roles covered:

- Rector Delegate for Student Tutorship and Guidance activities,
- Founder and Coordinator of the International PhD Programme "Environment, Resources and Sustainable Development" (from 2008 to 2019),
- Faculty Erasmus Coordinator (from 2005 to 2010).

Education and training

a) 2002, Swedish University of Agricultural Sciences Uppsala, Sweden, PhD in Microbial Ecology.

b) 1983, Université Claude Bernard, Lyon, France, Diplôme Etudes Aprofondies in Microbial Ecology.

c) 1982, Institut Pasteur Lille, France, Diploma in Food microbiology.

- d) 1981, Institut National Agronomique – Institut Pasteur, Paris, France, Diploma in Soil Microbiology.
- e) 1977, University “Federico II” of Naples, Degree in Biological Sciences.

Professional skills and competences

National Order of Biologists (ONB), Rome:

- a) Member of the Steering Committee (from 1989 to 1999).
- b) Head of the Scientific and Cultural Department (from 1989 to 1999).
- c) Italian representative to the Council of the European Countries Biologists Association (from 1989 to 1999).
- d) Editor in chief of “Biologi Italiani”, official journal of ONB (from 1999 to July 2012).
- e) Editor in chief of “Bio’s”, ONB official journal (from 2018 to date).

Italian Biologists Security Institution, Rome:

- a) President of the Biologist Security Institution Strategic Board (from 2010 to 2015).
- b) Editor in Chief of the quarterly journal ENPABMagazine (From 2010 to 2015).

European Countries Biologists Association, Brussels:

- a) Council Member (1989-1999).
- b) Commissioner for the European Affairs (1989-1999).
- c) General Secretary (1990 - 1993).
- d) President (1996-1999).

Institute for Economic and Social Research, Naples, Italy:

Member of the Scientific Committee, responsible for the Department of Learning, Knowledge and Skill (2009 to date).

DG VI, European Commission, Brussels:

Member of Advisory Group on Food Quality (2004 to 2006).

Slovak Medical University, Bratislava:

Member of the research network on “Pathogenic potential of new emerging microbial pathogens in the environment”, 5th EU Framework Programme, DG XII, Brussels.

Other skills and competences

- Evaluator of research projects for European funding bodies.
- Referee for National and International scientific journals.
- Member of PhD Examination Boards in European and extra European Universities.
- Head of Scientific Committee for Guidance and Tutorship at Parthenope University of Naples
- Scientific coordinator of Tutorship Projects.
- Member of the Editorial Board of the Journal of Environmental Accounting and Management (2017 to date).
